Introduction

Susannah Friend was born about 1762 in the Northern Neck of Virginia near present day Paw Paw, WV. Susannah traveled as a child with her father, John Friend Sr. and his young family into the Wilderness of Western Maryland, settling in what would become the Friendsville area. Susannah would grow and mature in this area, then meet and marry Andrew House. In 1816 or "the year the corn wouldn't grow,"² Susannah and Andrew would travel to Ohio and raise a family of eight children. Her family would thrive in Ohio, immigrate to Illinois, then Iowa, and finally spread out all over the young country. Her children would help form and lead these young states. Many of her grandsons would defend and several perish while serving their country the Union Army during the American Civil War.

Susannah Friend apparently left no dairies or personal papers that might help to define this woman and her times. Unfortunately, we have found no photographs or descriptions of Susannah or her husband Andrew House. This book attempts to re-build the lives of Susannah Friend, her husband and their descendents through US Census records, family bibles, land-deeds, wills, photographs, personal histories, obituaries, newspaper articles, military records as well as birth, marriage and death records. Susannah and her family will be featured in two books, because of the enormous volume of information. Her first two children, John and Mary, will be featured in Book I, while the remainder of her children, Charles, Susanne, Andrew, William, Sarah and Elizabeth, will comprise Book II. Although the children are featured in one book, they will be briefly outlined in the corresponding book. The information on Susannah Friend and an

outline of her lineage back to Nils Larson Friend (Frande) will be presented in both books. We hope the two books will provide researchers the tools (and clues) to aid with their own studies and lead to a greater understanding of the life of Susannah Friend and her vast number of descendents.

¹⁴ There are hundreds of family histories available which focus on Susannah Friend and her family. Some of those histories list Mary House as the eldest child. We believe this sequence of children for oldest to youngest is correct, although it is our best “educated guess.”

f. American Revolutionary War Records of Andrew House

1. Andrew House - Pension Application Pension Nr.: R5261 (M805-444, pp. 769)

Andrew House was born 6 Mar 1758 on the Potomac River seven miles below (Southeast of) Shepherdstown, (W)VA. This application for an American Revolutionary War pension was filed Jan 29, 1835, while Andrew House was residing in Jefferson TWP, Knox Co., OH. It alleged that while residing in Green Co., PA, on Ten Mile Creek, four miles from Jackson's Fort, Andrew enlisted in May 1776¹⁵, and served in Capt. William Harrod and Jesse Pigman's Company under Col. McCleary, and was discharged the last of Oct 1776. That he enlisted Apr or May 1777 and served in Capt Pigman's PA Company and was discharged 1 Nov 1777. He enlisted 1 May 1778, and served 5 months, in Capt. Henry Enoch's PA Company. He enlisted 1 May 1779, and served 5 months., in Capt James Archer and William Harrod's PA Company. After the Revolution he moved to Allegany Co., MD, where he married (name of wife not stated) and that in 1816 he moved to Columbiana Co., OH. In 1833, Andrew moved to Jefferson TWP, Knox Co., OH, where he now resides.

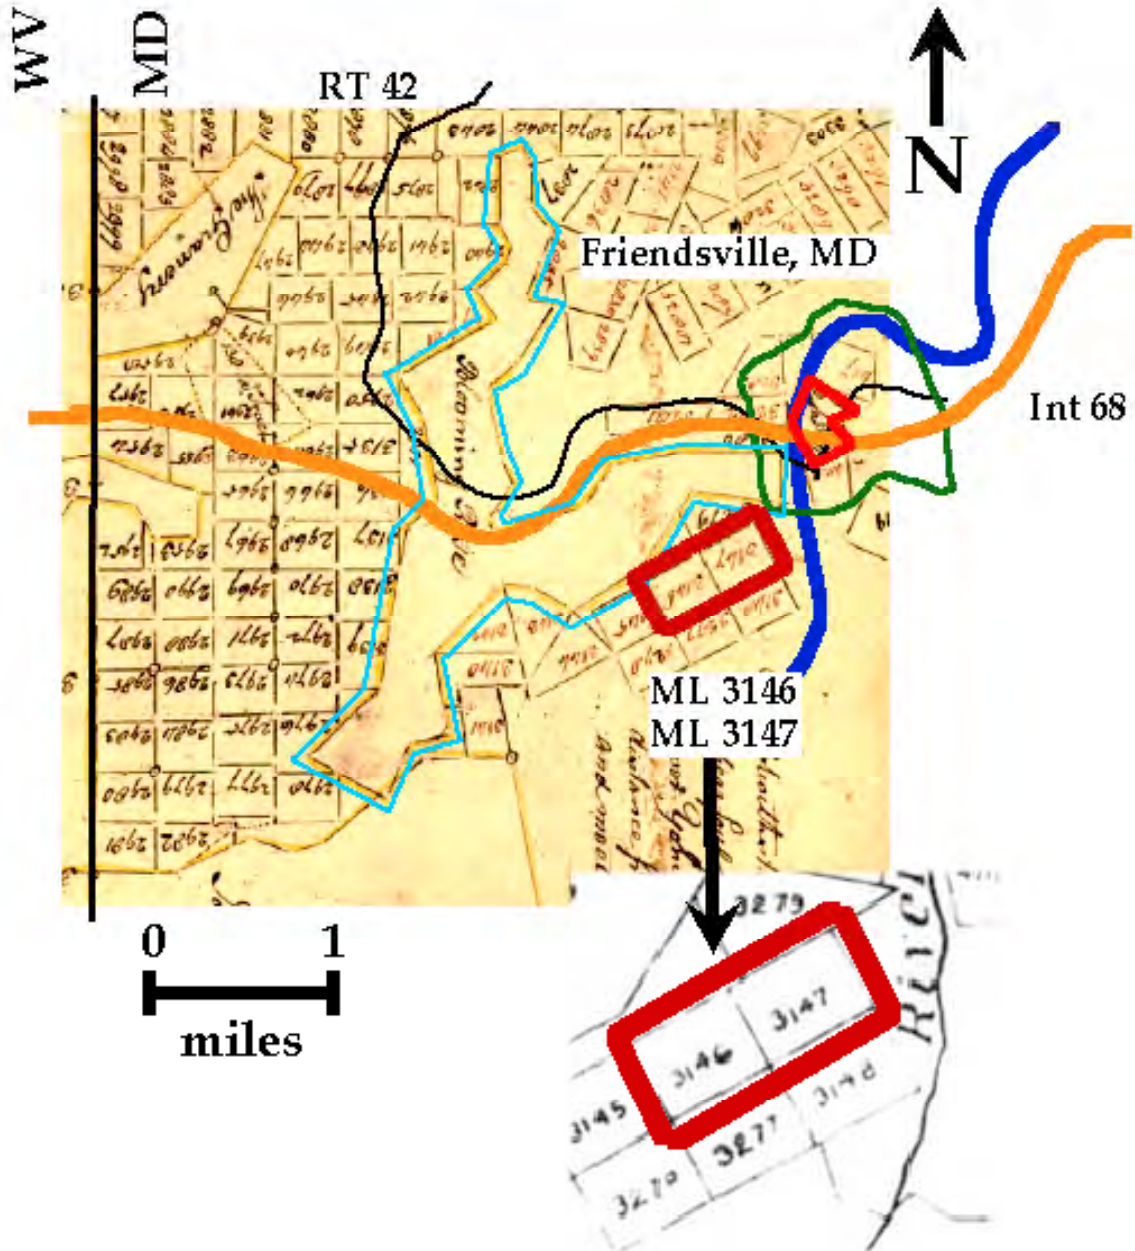

His claim was not allowed because he failed to prove that alleged service was performed by order of competent military authority, and not simply self-defense on the Indian frontier. Andrew House signed by his mark. Andrew's claim was witnessed by John Green, a Clergyman and Samuel Ward (who was probably his son in law).

¹⁵ It is assumed that he served this the militia companies.
